

1. The purpose of this amendment (MOD 3) to the OASIS SB Pool 2 on-ramp is to revise the minimum requirement for the combined annual value of all Projects combined under Section L.5.3.1. Paragraph (b)7.b. on Page 92 of the solicitation as follows:

FROM: *"The combined annual value all Projects combined must be equal to or greater than \$750 Thousand per year times the number of Projects submitted. For example, if three Projects are submitted, the combined annual value must be equal to or greater than \$2.25 Million per year; if four Projects are submitted, the combined annual value must be equal to or greater than \$3.00 Million per year; if five Projects are submitted, the combined annual value must be equal to or greater than \$3.75 Million per year"*

TO: *"The combined annual value all Projects combined must be equal to or greater than \$150 Thousand per year times the number of Projects submitted. For example, if three Projects are submitted, the combined annual value must be equal to or greater than \$450 Thousand per year; if four Projects are submitted, the combined annual value must be equal to or greater than \$600 Thousand per year; if five Projects are submitted, the combined annual value must be equal to or greater than \$750 Thousand per year"*

2. In addition, Section A.1.2., paragraph (c) on Page 8 of the solicitation is revised to read as follows:

FROM: *"Mod 2 is the conformed solicitation for the OASIS SB Pool 2 on-ramp. This conformed solicitation acknowledges all the prior Amendments No. 1 through 11 and the OASIS SB Pool 2 draft solicitation under Mod 1/Amendment No. 12."*

TO: *"Starting at MOD 2 is the conformed solicitation for the OASIS SB Pool 2 on-ramp. This conformed solicitation acknowledges all the prior Amendments No. 1 through 11 and the OASIS SB Pool 2 draft solicitation under MOD 1/Amendment No. 12. What that means is you do not read anything prior to MOD 2 for this Pool 2 on-ramp solicitation. Subsequent Amendments to the MOD 2 Pool 2 on-ramp solicitation will also be called MODS (e.g., MOD 3, MOD 4, etc. as applicable). Starting with MOD 2, please acknowledge all MOD amendments and dates under Block 14 of your SF 33 submission."*
